

Dorset Parent Carer Council

The Dorset Parent-Carer Council has been set up this year with the aid of Government Funding under Aiming High for Disabled Children and its purpose is to be a voice to inform all agencies and services about the needs of disabled children and their families in Dorset.

We aim to work with all agencies and services that offer help, advice and benefits to our children and ourselves, including our schools, police, local councils, Dorset Primary Care Trust and any other local facilities, organisations and enterprises.

Parents and Carers are invited to join us and add their voice to enable us to make a difference for disabled children and youngsters and their families in Dorset.
